Seguimi

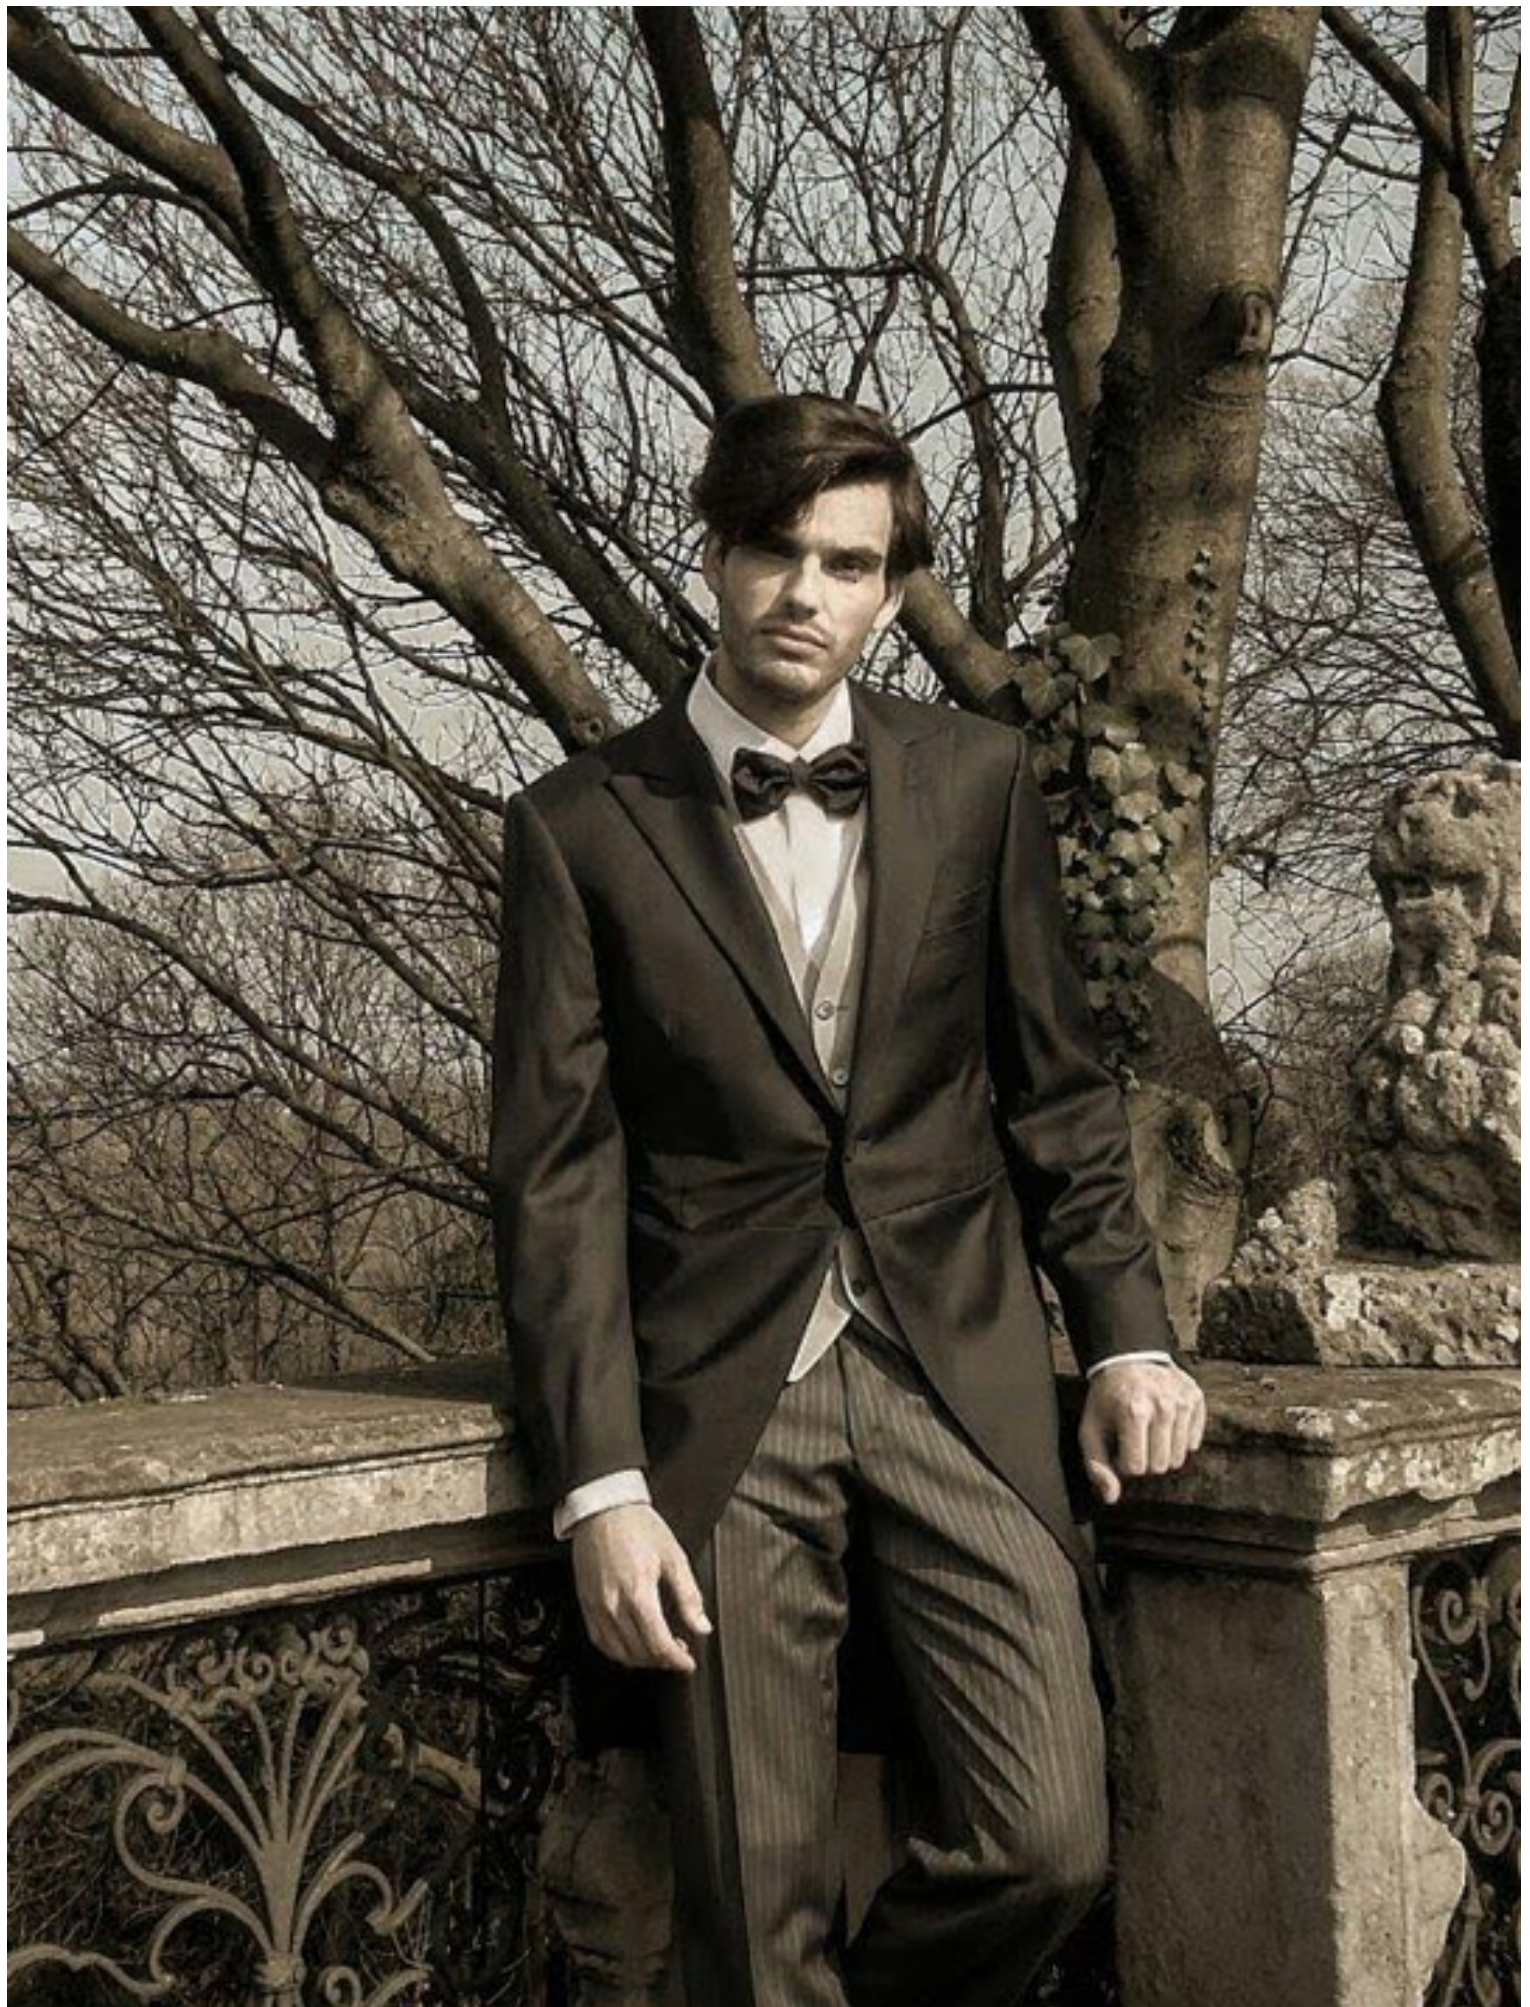

di Vittoria Romagnolo

L'allusività del pizzo, la tenerezza del tulle, il rigore del tessuto
liscio, il riccio. Raggi tiepidi rischiarano tableaux vivants animati da suggestioni
pittoriche di ferrea bellezza. Prendersi e allontanarsi,
l'abito bianco indica la via. Un prodigio consacrato dalla luce di
una primavera carica di promesse. *

Ph. Alessio Miglioni
