Enter Drama

Why shy away when you can flaunt your personality with big hair, bold make-up and oodles of charm?

JEWELLERY WORN THROUGHOUT, FROM CHAUMET

BOXING

A contested sport at every modern Olympics with the exception of the Stockholm 1912 Games (surprisingly due to the fact that the Swedish government had banned pugilism on the grounds that it was an aggressive martial art), boxing dates all the way back to the ancient Olympic Games in Greece, about 688 BC. Women's boxing, however, was only introduced over a decade ago, at London 2012.
